† PASTOR'S PERSPECTIVE †

Dear Parishioners,

By now, you have received the Stewardship materials from me and also from the parish Stewardship Committee. Please give them your prayerful attention. As I mentioned in my homily last Sunday, to belong to a parish means that we are engaged, invested and committed. Filling out these forms and returning them to us is a very concrete step toward the fulfillment of this responsibility. I hope that many of you returned the forms to us this weekend; if you have not, we earnestly ask you to do so by next week-end. Thank you and God bless you. And, many thanks to our Stewardship Committee which is coordinating this endeavor.

Last Saturday, we had a beautiful celebration of Sr. Margaret Alokán's silver anniversary of religious profession. Bishop McRaith celebrated the Mass, and Sister had numerous visitors here to celebrate with her, including Fr. John Okoro, Fr. Titus and three priests from Nigeria who grew up with Sr. Margaret and who now are working in various dioceses in the United States. Sister has just welcomed two other members of her community (Franciscan Sisters of the Immaculate Conception) who will be living with her and working in our area. They are Sister Antonia and Sister Ann Marie. The sisters live up the street from the Cathedral and we are blessed to have them in our community. I know you will extend a warm welcome to them.

This weekend I am in Indianapolis participating in the Regional African-American Catholic Evangelization Conference. I am accompanying Veronica Wilhite and several other members of Blessed Sacrament community to this meeting. I always enjoy and profit from the opportunities I've had to attend these gatherings. The people there are so filled with joy and enthusiasm for their faith. I am sorry I am not with you to worship this weekend, but we are together in Spirit as we celebrate the Mass even in different cities.

Love, Fr. John

### EUCCHARISTIC MEDITATION

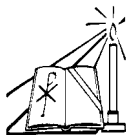

“The food of truth demands that we denounce inhumane situations in which people starve to death because of injustice and exploitation, and it gives us renewed strength and courage to work tirelessly in the service of the civilization of love.

“From the beginning, Christians were concerned to share their goods (cf. *Acts* 4:32) and to help the poor (cf. *Rom* 15:26). The alms collected in our liturgical assemblies are an eloquent reminder of this, and they are also necessary for meeting today's needs. The Church's charitable institutions, especially *Caritas*, carry out at various levels the important work of assisting the needy, especially the poorest. Inspired by the Eucharist, the sacrament of charity, they become a concrete expression of that charity; they are to be praised and encouraged for their commitment to solidarity in our world.”

### A VOCATION VISTA

Every generation has the task of engaging anew in the arduous search for the right way to order human affairs; this task is never simply completed. Yet every generation must also make its own contribution to establishing convincing structures of freedom and of good, which can help the following generation as a guideline for the proper use of human freedom; hence, always within human limits, they provide a certain guarantee also for the future.

## TIME, TALENT & TREASURE *Living and Giving Gratefully*

### **This Week's Stewardship Moment**

How would you spend your day if you knew it was the last day you would spend on earth? Undoubtedly, it would not be a normal day. The point of today's Gospel reading is that the end-time is always imminent. The good steward remains prayerfully alert, ready to give an accounting, and living each day in the awareness of the coming judgment and salvation. *How do we exercise stewardship over our daily lives? Are we prepared to give an accounting? How will we allow Christ to work in and through us to prepare for the reconciliation of the heavens and the earth?*

### THE YEAR FOR PRIESTS

The grace of ordination is not only limited to the Eucharist; it is a charism where sanctification, pastoral and educative guidance, and mission are closely linked together: one is ordained not only to be something (ontological aspect) but also to activate the priestly charism (dynamic aspect). Ordination makes the human person capable of the entire work of the mission and evangelization.

### THANKSGIVING DAY: BLESSING of BREAD

On Thanksgiving Day we invite you to bring to the 8am Mass, the bread you'll be sharing at your Thanksgiving Day Dinner. This bread will be blessed during that Eucharistic celebration connecting the meal we share at the table of the Lord with the meal you'll be sharing with your family and friends in your homes that day. At both meals we share our faith and our lives, and our oneness in the risen Lord through the breaking of the bread. A "Table Blessing" will be provided for your use on the back of that liturgy's worship aids to be used at your meal as well. May God abundantly bless your gatherings with peace and love and make you a truly thankful people.

### SINCERE THANKS

We would like to extend our sincere thanks to the parish and staff at St. Stephen Cathedral during the sickness and death of our mother. Sincere thanks to Father John, Father Joshua and to Mike and the choir for the funeral Mass. Thanks also to the ladies for a great funeral meal.

*Joe Beard and Family*

### PRAYER FOR THE DECEASED

Please pray for those who have recently died especially *Anne Lanier*, sister of *David Tooley*.

Pray, also, for those who are in the process of dying. May the souls of all our beloved dead rest in God's peace and love.

*(Please call the office when there is a death in your family.)*

**THE LANGUAGE OF MUSIC**

“Music is a spiritual and therefore universal language, a vehicle so importantly suited to understanding and union between persons and peoples. Music is a part of all cultures and, we might say, accompanies every human experience, from pain to pleasure, from hatred to love, from sadness to joy, from death to life. We see how, over the course of the centuries and millennia, music has always been used to give a form to that which we are not able to speak in words, because it awakens emotions that are difficult to communicate otherwise. So, it is not by chance that every civilization has placed such importance and value on music in its various forms and expressions.

“Music, great music, gives the spirit repose, awakens profound sentiments and almost naturally invites us to lift up our mind and heart to God in every situation, whether joyous or sad, of human existence. Music can become prayer.

**WORD OF LIFE**

When love is lived out in marriage, it includes and surpasses friendship. Love between a man and woman is achieved when they give themselves totally, each in turn according to their own masculinity and femininity, founding, on the marriage covenant, that communion of persons where God has willed that human life be conceived, grow and develop.

There will be a Catechist meeting in the Media Center on Sunday, November 15, after class.

**CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT**

For nearly 40 years, the Catholic Campaign for Human Development (CCHD) has embodied Catholic social teaching through pursuing justice and upholding the dignity of the human person. This year's theme is "Families are struggling. Faith is calling." In his address to the diplomatic corps in January, 2009, Pope Benedict said, "Bolstering the economy demands rebuilding confidence. This goal will only be reached by implementing an ethics based on the innate dignity of the human person." The mission of CCHD is crucial to uplift and embolden all who are one layoff or one medical scare away from the poverty line--and all who are already there. Twenty-five percent of this collection remains in our diocese for local anti-poverty efforts.

**ST. ELIZABETH OF HUNGARY**

"Elizabeth was born into a social context of recent evangelization. Andrew and Gertrude, parents of this authentic pearl of the new Christian Hungary, were careful to instill in her an awareness of her own dignity as God's adoptive daughter. Called to be the wife of the Landgrave of Thuringia, she never ceased to devote herself to the care of the poor, in whom she recognized the likeness of the divine Master."

**THE WORD OF GOD**

The word of God is at work in you

© J. S. Paluch Co., Inc.

Generally speaking, Christians know that the Person of Jesus Christ is at the centre of Divine Revelation. However, they do not always know the reason for this importance, nor do they understand in what sense Jesus is at the heart of the Word of God.

**ST. ROSE PHILIPPINE DUCHESNE**

"Saint Rose Philippine was a woman of lively faith and constant prayer, a woman full of zeal for the missionary needs of the Church. Her love, which knew no limits, was always eager to reach out to those in need in countries and cultures different from her own. By the time she got to her long-awaited mission among the American Indians, she could write to Saint Madeleine Sophie Barat that "to go to teach the Indian children is a grace – a gift of God, not just a service". And her enthusiasm never wavered. Even beyond the age of seventy she was still a valiant pioneer of the Gospel, traveling across the plains of Missouri and Kansas in North America to establish a school for girls of the Potawatomi Indian Tribe.

"How does one account for such untiring zeal, such constant dedication to the Church's missionary efforts? Surely, it could only be the result of a heart on fire with love of God, a heart that was always in loving harmony with the Sacred Heart of Jesus the Lord."
