† PASTOR'S PERSPECTIVE †

Dear Parishioners,

“Catholic Schools – Dividends for Life” is the theme for this year’s Catholic Schools Week observed throughout the United States this week. Catholic Schools Week is the annual celebration that focuses attention on the good work done by the nation’s Catholic schools. With no intention of degrading the good work accomplished in our public schools here in Owensboro, we can nonetheless be very proud of the high quality education our children receive in the Owensboro Catholic School System. The dividends of a Catholic school education—students prepared in faith, knowledge, morals and discipline—last a lifetime. There is no better way to invest in a child’s future—or the future of our world. I commend all our families who have made the sacrifice to provide a Catholic education for your children and offer a word of thanks to all our parishioners for the support you give to support our youth and the OCS system. I also take this opportunity to thank all the administrators and other personnel whose dedication and sacrifice make it possible for our children to receive a Catholic education. The school sites will have a variety of special events this week, but the highlight will be the Mass at the Sportscenter on Wednesday.

You will recall that more than one hundred of you participated in the “Best Practices” discussion groups coordinated by the Parish Pastoral Council. The results of those meetings have been collected and tabulated and the Council has taken an initial look at them. The members of the Council, along with committee chairpersons and discussion group leaders, will have an extended meeting next month to delve into this material in greater depth. Based on that data, they will formulate some goals for the parish for the next several years. I want to thank all who are involved in this process and ask the prayers of everyone as we continue to plan for the future and strive to fulfill our mission as a parish and diocesan cathedral.

Lent begins in two weeks (February 17th), and we will have a Parish Mission to help us move into the season. More details will be provided next week, but mark your calendar for the week of February 28 – March 3. The Mission will be preached by Fr. Dan Dorsey, president of the Glenmary Home Missioners.

We welcome Bishop-elect William Medley who moves into the rectory on Monday. We assure him of our prayers as he makes final preparations for his Episcopal ordination on the 10th.

Love, Fr. John

EUCCHARISTIC MEDITATION

“The Eucharist is a ‘mystery of faith’ par excellence: ‘the sum and summary of our faith.’ The Church’s faith is essentially a Eucharistic faith, and it is especially nourished at the table of the Eucharist.

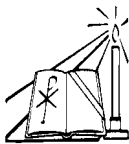

Faith and the sacraments are two complementary aspects of ecclesial life.

Awakened by the preaching of God’s word, faith is nourished and grows in the grace-filled encounter with the Risen Lord which takes place in the sacraments: ‘faith is expressed in the rite, while the rite reinforces and strengthens faith.’ For this reason, the Sacrament of the Altar is always at the heart of the Church’s life: ‘thanks to the Eucharist, the Church is reborn ever anew!’ The more lively the Eucharistic faith of the People of God, the deeper is its sharing in ecclesial life in steadfast commitment to the mission entrusted by Christ to his disciples. The Church’s very history bears witness to this. Every great reform has in some way been linked to the rediscovery of belief in the Lord’s Eucharistic presence among his people.”

A VOCATION VISTA

Does truth matter to me enough to make suffering worthwhile? Is the promise of love so great that it justifies the gift of myself? In the history of humanity, it was the Christian faith that had the particular merit of bringing forth within man a new and deeper capacity for these kinds of suffering that are decisive for his humanity. The Christian faith has shown us that truth, justice and love are not simply ideals, but enormously weighty realities.

Living and Giving Gratefully

This Week's Stewardship Moment

Here we are ... one month already gone in 2010! What did you resolve to change this year? Stewardship calls us to change the way we think about who we are and what we possess. Or, maybe you sense a desire to respond to a particular call to use your gifts in the service of others?

THE YEAR FOR PRIESTS

It is the priests' part as instructors of the people in the faith to see to it either personally or through others that each member of the faithful shall be led by the Holy Spirit to the development of his own vocation in accordance with the Gospel teaching and to sincere and active charity and the liberty with which Christ has set us free.

ORDINATION TO CANDIDACY

On Saturday, February 20, at the 5:00PM Mass here at St. Stephen Cathedral, Will Thompson will become an official candidate for the priesthood through Ordination to Candidacy. This is the first formal step toward the sacrament of Holy Orders, where the man promises to invest his life in preparing for the priesthood.

"The rite of admission to candidacy for ordination...is celebrated when there is clear evidence that the aspirants' properly formed intention has sufficiently matured. The aspirants must make a public expression of the intention to receive holy orders. The bishop, in turn, or the major superior...gives the public acceptance of his intention." (*Introduction to the Rite for Admission to Candidacy*)

You are invited to come see this significant part of the path to the priesthood. Please pray for Will.

When love is lived out in marriage, it includes and surpasses friendship.
